Message From the Editor

Happy Christmas from everyone at Harrietsham Fish Scheme. We hope you are able to celebrate with your family and friends, or if you do not celebrate, then you have a restful time.

Make sure you have a look at page 12 and 13 to read about the beautiful poppy displays across the village and thanks to those who have submitted photos for this. Well done to Hazel and the Craft Groups!

We have Round 2 of our monthly quiz on page 13. It is general knowledge this month, which I was a little better at.

On page 29 there is a poster for the Carol Concert in Harrietsham Church on Friday 8 December, definitely one not to be missed.

A huge thank you and well done to Eliza Perrett in Year 3 at Harrietsham Primary School who won the competition and had her artwork chosen to be on the front cover of this December issue. Well done to all those who took part and thank you to the staff who made it happen.

Please remember to email any photographs, articles of interest about Harrietsham, or anything else that could be considered for inclusion to:

Harrietsham Gardening Society

The Gardening Society was treated to a very informative and enjoyable talk at our October meeting, given by Katherine Hook of 'Sloe Seductions'. The committee were a little nervous on making the booking but the residents of Harrietsham can clearly spell, they got the correct 'Sloe' and no contingent of shifty-looking, heavy breathing mac-wearers turned up expecting something a bit more risqué! Katherine's business relies on a burst of activity foraging for hundreds of pounds of sloes in the Autumn, which are then converted into sloe gin or sloe gin-flavoured chocolate truffles, or chocolates with a pure sloe gin centre. She explained the process from making the sloe gin to converting Belgian chocolate to the finished product which is all undertaken manually and is very time consuming. Samples were provided for members to enjoy; they were delicious and the products can be ordered on-line if you want to have a look at her website.

Also at the meeting Members were each provided with a pot and five Tete-a-tete narcissus bulbs. They will be planting these immediately into bulb fibre or a good compost, in two layers. Tete-a-tete are one of the best scented dwarf daffodils available and should produce 3 flowers per stem with stems about 8 inches high. They need to be kept away from heat and in the best light so as to provide a long cold growing season and should bloom next March or even earlier depending on our winter/spring. Members will be bringing these along to a meeting in Spring when we should have a brilliant display from which we will choose the best.

Angela Gatland, one of our Committee members, kindly brought along some apples for Members to taste, unusual but very flavoursome varieties which beat some of the more prolific but less appetising modern varieties.

As a new innovation the Committee have started to produce a list of topical jobs to be doing in the garden each month, with hints and tips on what to do now and also preparing for the months ahead. These are e-mailed to all Members; do consider joining and come along to the meetings with any questions or queries as there's bound to be someone who can help.

Thinking about it, there are a number of advantages to attending our meetings:

- In November to March we hold meetings in the afternoons which means you can turn your own heating off for at least 4 hours, what a saving!
- There is tea, biscuits and often cake available, with the opportunity to chat and make new friends.
- If you don't engage with a particular speaker there is the opportunity to meditate or practice the latest Mindfulness for your well-being,
- Parking at the Village Hall is free with no Payment by phone or App to contend with.
- The ratio of lovely eligible female to male members is about 5 to 1 so come along men!
- There is a real opportunity to learn more about all aspects of gardening free of charge, think what you would pay a solicitor or financial adviser!

Our next meeting is our Christmas Social at 2.30 p.m. on Tuesday 12 December; fun and games at this one. New members always welcome.

Harrietsham Network

Harrietsham In Bloom

Our AGM was held in October. Thankyou to everyone who attended. It is nice to feel our work is appreciated. However, it would have been even better if more people or sponsors had been there.

Our thanks to Mrs Glenda Dean for her generous donation to our funds. The planters, verges and Glebe field have now been planted by our very few volunteers. **Extra help would be very helpful.** If anyone cares to join us please contact Andrew Rogers (Chair).

Seasons' Greetings to everyone and wishing you all a safe and healthy new year. Any enquiries to Andrew Rogers (Chair) 01622 859352.

Audrey Joy MBE

Harrietsham Short Mat Bowls Club

It has been some time since we have had any news for the Network, this is because we have been unable to organize any friendly games against other clubs. This has given our club captain a difficult time as he has learned of clubs we have played in the past not being able to get a team together due to a lack of numbers, or that their members no longer want to travel to games in the evening. However, his persistence paid off and we played an away game with Hempstead. This was a new venue for us having never played there before. We had only taken six players as there appeared to have been a mix-up with the numbers, but this did not spoil the enjoyment of the afternoon, and although we lost the game 21 shots to 29 we felt we had done quite well on strange mats. Hempstead is a big club having over 80 members, and the atmosphere was very friendly, so it is hoped we can arrange a return match at Harrietsham.

During October Harrietsham SMBC was well represented in a triples competition at Hawkinge. Three teams took part in a well-organised day, two of our teams lost in the quarter-finals and one in the semi-finals, so very well done to them all.

As for November, we have home and away matches to play against old friends and rivals Burham, so we look forward to that. We also have a return game at Headcorn. We have never played at Headcorn before so that should be an interesting afternoon as I imagine they will be looking out for revenge having lost their game at Harrietsham. Keep on enjoying your bowls.

Phil Gooda - Chairman/Secretary Harrietsham SMBC

Harrietsham Ladies Group

We had almost a full house at our November meeting in spite of a very wet and windy evening and our speaker Sue Flipping was delighted with the turn out.

Sue enthralled us with her stories of travelling to very exotic and wild places independently. She has a love of travel and as long as her first night away is booked in advance she then takes off on train, road or water to wherever she thinks will be interesting often for several months at a time. Obviously this is extremely brave but she is also very aware of the dangers of travelling on her own. Our next meeting will be our Christmas meal for members only.

Harrietsham Craft Groups

Following the autumn random acts of kindness, the craft groups were very busy making poppies to extend the village remembrance displays this year. Monies were raised to buy four trellises to cover in poppies for the outside of the church. £214.50 was raised in all which included cash donations of £26 from Harrietsham History Society and £20 from Glenda Dean. With these monies and a little more added to it we managed to buy two 4'x6' and two 3'x6' trellises, posts, spikes and fixings, two remembrance plaques and a roll of netting as we finished the one we bought last year. We then went on to knit and crochet LOTS of poppies to cover the trellises and, because the tree that we had the cascade on last year on the village green had died and had been removed we had to extend the cascade by 18 inches to fit the trunk of the other tree so yet more poppies were needed! Two of the trellises were placed one either side of the lychgate and the others one either side of the church porch. The displays on and around the font were put in place as last year. The wreath was added to by five beautiful felt poppies with beaded centres made by Stella who also helped by crocheting poppies for the cascade extension as did Lee. Additionally, we were kindly given some large poppies by Richard Cast two of which were attached to the lychgate.

Thanks must go to volunteers from Harrietsham in Bloom, Margaret Tuft and Terry McCann who helped with the setting up of the displays on the village green; to Antony and Mel Houston who used their flatbed truck to transport the larger trellises to the church and to Alan Riches who provided all the necessary tools and expertise for erecting the trellises at the church and Colin Weller who assisted. Thanks also to those who made videos and took photos of the displays and not least by far to those who worked so hard to knit and crochet poppies and/or attach them to the trellises. We have more plans for next year to extend the displays some more!

At Craft and Chat, we did a Halloween project and at our November evening meeting of Knit, Crochet and Craft we took a well-deserved break from making poppies. Jacky learned how to crochet and did very well at her first attempts, Kora learned how to do popcorn stitch, Lisa learned how to crochet a round and keep it flat and Keira is going to continue her crochet journey by starting a hat next time and learning how to read a pattern.

We always welcome new members. If you would like to know more or would like to join us please contact 01622 851885

The Great Tommy Sleep Out 2024

The Royal British Legion Industries, based in Aylesford Kent, is home to around 340 Veterans of all ages and their families including emergency accommodation and support for those who have left the services and found themselves homeless. Established in 1919 they are a separate Charity from the Royal British Legion and as such do not receive income from the Poppy Appeal.

Fundraising to provide the services to support our veterans is paramount and their headline event The Great Tommy Sleep Out happens in March every year. Everyone is asked to give up a night of comfort to sleep outside and last year thousands of people took part.

For **16 March 2024**, Harrietsham Parish Council has kindly agreed to a family village sleep out on the land behind the church leading up to Teers Meadow. The cost will be £10 per adult with children free and pre booking will be essential. For more information, please email paula.ray@rbli.co.uk. There will be further information in the Network magazine in the lead up to the evening.

Parish Council Meeting

The next meeting of the Parish Council will be held on Wednesday 31 January 2024.

We would like to take this opportunity to wish all parishioners a very happy Christmas and a peaceful New Year.

Worried about rising prices?

Concerned about rising interest rates?

Anxious about rising rents?

Is your money not going far enough?

No savings!

If the answer to any of these questions is "yes" then the Culpepper Charity may be able to help.

Founded in the seventeenth century, the Culpepper Charity was created to help those people of Harrietsham with financial needs. It has been dormant for a long time which may be why you haven't heard of it.

However, the Charity has limited funds available to provide monetary assistance to those people of Harrietsham who are worried about how they will pay all their bills. The Trustees believe that in the current financial crisis the Charity needs to be back in the limelight to help the people of Harrietsham.

If you are claiming benefits of any kind, or even if you are not, and want further help with your family finances, do write to us explaining how you are in need and requesting a Grant claim form to be sent to you.

Borough Council Corner

As the festive season approaches, we hope that residents can attend the community events organised and be with loved ones. Please remember those who live amongst us who may be isolated and lonely and give them our time and consideration.

Many will be thinking of others who are unable to celebrate in the way they would like because of wars, natural disasters and are suffering terrible hardships and grief.

The local plan consultation

This has now ended and we will await the Inspectors comments on the responses and how we move forward.

HOLDING ON LETTING GO

Countryways Quilters and Stitchers

It's December and we're all rushing to get ready for the Holiday Season.

We do not have meetings in December, we're too busy with Christmas pud and mince pies. Let me wish you all a joyous December and we'll be back in January. If you would like to join us in 2024 contact me (see below) and I'll send you off a copy of our new program.

Come learn more about our stitching group and spend some quiet time stitching. Learn new skills and share old ones.

We have our meetings on the first and third Tuesdays of every month except December and would love to see you. In January we meet on the 2nd and 16th. We meet usually in the Appleton room in the Lenham Community Centre from 1:30 to 4:30.

If you would like more information on our group or would like a copy of our 2024 Program please contact me, Pamela Gillard at 01233-877453 or e-mail moonbeamspinner@gmail.com

Carol Singing at the Church

Once again, the Salvation Army are coming to Harrietsham church on Friday 8 December at 7pm for an hour of community carol singing to celebrate the festive season. Everyone is welcome to this FREE event. Mince pies and mulled wine will be available afterwards.

Soup Saturday / Ploughman's Platterday

There will be no Soup Saturday / Ploughman's Lunch at the church on Saturday 9 December as our volunteers will be resting after the Carol Singing the evening before! However, note in your diary that there will be a Soup Saturday, the first this winter, on Saturday 13 January 2024. See the next Network for details.

100 Club Lottery Results

The results of the Eighty-third Draw of the Friends of St John 100 Club, drawn on 14 October 2023 by various diners at the Ploughman's Platter Saturday, under the supervision of Michael Gear (Independent Adjudicator) and Chris Roots (Promoter) are:

- First prize £82.00 - number 63 – John Hart;
- Second prize £49.20 – number 65 – John Spacey;
- Third prize £32.80 – number 144 – Pamela Flawn.

There were 164 numbers included in the draw giving a prize fund of £164.

What is the 100 Club?

Although the 100 Club is about to start its 8th year, having had its first draw in December 2016, you may never have heard of it or how it works. Each member pays £2 per month for a Number which is entered into the monthly draw. Half of each subscription is added to the prize fund, half of which goes to the first Number drawn out. The second prize winner receives 30% of the prize fund whilst the remaining 20% is given as the third prize.

The 100 Club, the largest group in the village, has 60 members with around 160 Numbers entered in each monthly draw. Since its launch, the Club has raised just under £10,000 to help maintain "for the benefit of the public" the fabric of Harrietsham Church and grounds. If you would like further information or an application form to join the 100 Club, write to me at friendsofstjohnharr@outlook.com or phone 859 885.

The Len Valley Active Retirement Association Lenara

What a summer! Now we are all gearing up for Christmas. I am happy to say that our membership continues to increase. We now have over 170 members so we must be doing something right.

In July we went to Potters in Norfolk, an all-inclusive holiday resort specialising in “short breaks for active adults”. It is probably best known to us older generation as the place that hosts the annual World Indoor Bowls Championships which is on TV each year. It is set in extensive grounds that stretch down to the sea and, as we were mostly blessed with excellent weather, many of us enjoyed walks down to the cliff top and beach.

As an alternative to all the sports activities the entertainments team kept you busy throughout the day if you wished with a wide variety of fun activities, quizzes, music games and workshops. And the fun didn't stop in the evenings as after dinner the stage was set for show time with outstanding west end style shows every night.

We also had a lovely day out to Milestones Museum in Basingstoke. Lots of interesting things to look at. It brought back lots of childhood memories.

Our speakers included Alan Haines who gave us a hilarious talk about the Baby Boomer generation. We hope to get him back again next year. We have had a great Fun and Games afternoon and an interesting talk about Road Safety. We had a great time at Sittingbourne Greyhound Racing which included a Sunday lunch. Some were losers and some were winners! We enjoyed another of our Mystery Tours to Brighton. In September our speaker was Katherine Hook with Sloe Seduction. She has been combining Sloe Gin and Cocoa to produce beautiful liqueur chocolates, chocolate mousse and chocolate sauce. She bought lots of samples for us to try.

Some of our members went to Lenham Primary School to talk to the Year One children about their childhood. They found the children polite, attentive and keen to ask questions.

Our regular activities include monthly Pub Lunches and Ten Pin Bowling. Every week we run Short Mat Bowls, Line Dancing, and Zumba at the Community Centre.

We hold our monthly meetings at Lenham Community Centre on the 4th Wednesday of every month. They start at 2.30 but members can come along from around 1.30 to grab a seat, a cup of tea and a catch up with friends. If you are interested in joining Lenara the annual subscription this year has been reduced to £5 per person – great value for money!

Lenham W I

May I be one of the first to wish you all a Merry Christmas and a Happy New Year!

Our speaker in October talked about Hopping in Kent. She told us about the people who came down from the East End of London to spend their holidays picking hops and earning some money. Some of the oldest hop gardens date from 1520 at Little Chart and 1524 at Westbere near Canterbury. In the 1880's the poles were connected by wires and stilt men started work well before the picking season training the hops up the bines. The stilts were originally made of wood but because they were really heavy especially in wet weather the wood was replaced by aluminium. They were about 13 feet high and attached to the stilt men with belts around the ankles and thighs.

Hop-picking holidays became all the rage in the East End and special trains were put on just for those wanting to join in. Hoppers would make their way to London Bridge railway station where trains would then take them directly to the heart of the Kentish countryside. The hoppers were paid based on how much they picked. The pay was based on a set amount per 'bushel' picked. The pay wasn't great but experienced pickers could make the same or more than they would back in London. The tallyman recorded how many bushels were picked by each person on two tally sticks, one he kept himself and one was kept by the picker.

While living conditions for the original hoppers were squalid and unsanitary, it wasn't too long before 'Hopper's Huts' began to pop up across the county. Families would share a hut with other families and would eat and sleep in them for the duration of their holiday. While most of these Hopper's Huts were eventually torn down it is still possible to spot one or two around Kent.

School children were allowed time off school to help in the hop gardens and there was much scrumping of fruit from the orchards by them.

Hops were taken away to dry in the Oast houses. It took 24 hours to dry them and in some cases sulphur was added to them to add flavour and colour to the beer. After work the hoppers enjoyed an evening in the local. In 1837 The Alma public house at Painter's Forstal kept candles burning in the windows to show the hoppers the way to the pub after a day's work.

In November we were shown how to make an origami Christmas Tree!

Accessible Wellbeing

My name is Vladimir Barkanov. For the last year, I have been publishing articles about simple wellbeing in Lenham Focus. I heard good feedback about them, and then a few people from Harrietsham asked if I would consider writing for the Network Magazine too. So, with a little delay, I gathered myself to share my knowledge and experience with a new community of readers.

What is my knowledge and experience? What expertise do I have on the matter? My expertise takes its origin in living with chronic depression for about fifteen years. For about ten years I lived on medications, but, eventually, I realised that medications, even though they can help deal with depression, they do not cure it. So, three years ago I got off medication and began to look for alternative ways for survival in psychology, positive psychology, and the science of wellbeing. Combining knowledge from different sources with my personal life experience and religious beliefs I discovered various techniques and approaches to wellbeing, which, to my surprise, surpassed being only survival techniques. Within six months of applying the first steps of the methods I mentioned, I discovered that I could feel happiness again. That was a point when I thought “Hmmm... if these things can make me happy, how much more they can give to someone who isn’t messed up like me?” That led to the creation of an accessible wellbeing course and later, to publishing articles on the topic, both online and in Lenham Focus.

So, what is accessible wellbeing according to Vladimir Barkanov? I discovered that there are simple methods and techniques, which do not require any financial input and are not time consuming, which can dramatically improve your wellbeing and stabilise your happiness. In my articles, I will be talking about

- Self-love
- Savouring
- Mindfulness
- Knowing yourself
- Meaning
- Flow
- Creativity
- Connection
- Belonging and
- Personal Roots.

I will also be giving references to various sources, so my readers, if they wish, will be able to conduct their own research, and deepen their understanding of the science of well-being for themselves. But I also will be giving practical guidance and will be setting exercises for you to try, so you can learn from experience.

I hope that many of you will decide to join me on this journey of multiplying joy and well-being in your lives, and the lives of those near you. And the first step in this journey, as I mentioned above, will be Self-love.

The Family Stone

Friday 8 December

Performance begins 19.30, doors open 19.00

Running time 1hr 39 mins, PG, director Thomas Bezucha

Christmas is coming and it's time to celebrate it with *The Family Stone* (2005) and an all-star cast including Sarah Jessica Parker, Dermot Mulroney, Diane Keaton, Claire Danes, Craig T. Nelson, Luke Wilson and Rachel McAdams. In this comedy drama, Everett Mulroney, with his career blossoming in Wall Street, takes his high-flying girlfriend Meredith home for Christmas to introduce her to his family in rural Connecticut. He has the best of intentions but trouble looms bigtime. The unconventional family doesn't take to the uptight Meredith, despite her best efforts to deal with its eccentricities and hostility. In despair she summons the help of her sister Julie – but that help doesn't quite work the way Meredith expects. Everett had intended this to be the best Christmas ever. And perhaps it will be... come along and find out, we'll have mulled wine alongside our usual refreshments, plus complimentary mince pies!

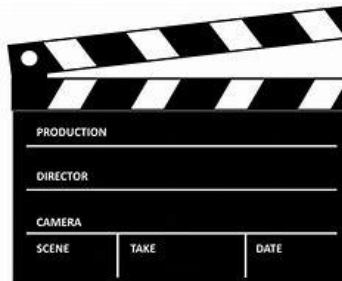

An extended family issue pops up with the inimitable Indiana Jones whose goddaughter Helena turns up in *Indiana Jones and the Dial of Destiny*, which we'll now be showing on Friday 12 January, after having been delayed from November. What better way to celebrate the new year! Welcome back, Indy.

Christian Message

One of the strange things about writing Village Mag articles is that because the submission date is so early for some of our mags, I am writing for December and thinking about Christmas whilst in late October. This is particularly ironic this year because the news is full of unholiness in the supposedly Holy Land. Hamas has committed atrocities killing Jews including children, and now Israel is bombing Gaza like the civilians don't matter. I wonder where we will have got to by the time you are reading this article?

In December we remember Christmas and at Christmas we remember the coming of the Prince of Peace. Let's remember that He was born into an occupied war zone, and was eventually killed by the army. It might seem an unpromising start for a Prince of Peace?

And yet peace is what we all long for. I have been so struck by a teenaged Israeli girl who had lost relatives in the initial atrocity. She was interviewed by a BBC reporter who was trying to get her to say that she wanted revenge. She didn't. She paused and said that she didn't want revenge: she wanted peace. Here from the mouth of a Jewish teenager is a glimpse of the message of the Prince of Peace!

We also long for personal peace: peace within. I was reflecting this morning how, although I've made all sorts of bad decisions in my life, my decision to accept this Jesus, whose birth we celebrate at Christmastime, into my life at the age of 17, is unquestionably the BEST decision I ever made. I know the church can be frustrating, but the meaning and love and peace that I have known, through good times and bad, as a result of that decision have always carried me through. I am deeply grateful.

So as Christmas comes, celebrate this Prince of Peace, receive Him (perhaps once more) into your hearts and lives, and pray with me that this horribly divided world sees peace and justice, and healing and wholeness emerging. Peace be with you.
