Message From the Editor

As I am writing this it is currently 32 degrees at the beginning of September, and I hope everyone has managed to keep cool during the heatwave.

As the Community Warden Consultation closes at the beginning of the month this is your last chance to feed in via www.kent.gov.uk/communitywardenreview if you are able to. There is more information in Parish Council News.

Ploughman's Platterday has made a comeback and you can find more information on page 14.

Finally from me, a huge thank you to Mike, the newly retired Station Master for all his hard work over the years. Have a look at page 32 for more.

Harrietsham Gardening Society

At the time of writing we have two social events coming up. The first at the end of August is a visit with afternoon tea to Dobbies Garden Centre in Ashford. The second a lunch at the Wagon and Horses pub near Charing in September. Both are looking to be well supported.

Although we are experiencing rather changeable weather this summer, hopefully the members' Autumn show in September will also be well attended with plenty of lovely exhibits.

Our speaker for the 17 October meeting will be Katherine Hook with a presentation, which sounds very interesting entitled, 'Sloe Seduction'.

Would members please note that we are returning to afternoons for our winter meetings, that is from November to January inclusive.

Chris Bone

Harrietsham in Bloom

This is the time of year to change the planters ready for winter/spring displays.

The flowers have given a good show during the summer, including the Coronation beds on the village green.

Harrietsham Convenience Store collection tin yielded £45.89 and our thanks goes to everyone who contributed. We are very grateful for your donations.

We are still desperate for volunteers to join us as we are very few to carry out many tasks. Please consider joining us. Our chairman Andrew Rogers, on 01622 859352, will be pleased to give details of tasks involved.

Our AGM will be held in the village hall on Friday 13 October at 7.30pm. Please come and support us.

Any other enquiries to Andrew Rogers (Chair) – 859352

Thank you

Audrey Joy MBE

Harrietsham History Society

Our next meeting in October will be our workshop afternoon at Percival's Rest on Monday 9 October - 4pm—6pm. Georgio has very kindly offered the restaurant area free of charge and will be providing free tea or coffee while we work, the bar will also be open if anyone would like to buy any other drink. We still have half a dozen boxes full of items to be sorted out relating to the history of the village, I hope you will be able to come and help us with this.

In November we will be returning to the village hall for our final meeting of the year, the date is on our website and will be in the November Network magazine, together with some information on our September meeting which was held after the deadline date for this issue.

If you would like to find out more about the history of the village or joining the society why not come along to Percival's Rest on the 9 October or email me on info@harrietshamhistorysociety.org or our chairman Martyn at chairmanhhs@gmail.com

Peter Brown

Harrietsham Ladies Group

We welcomed seventeen ladies to our September meeting. One of our committee members, Sue Thistlethwaite, gave us a very interesting talk and showed us many beautiful photos taken over the years, whilst being a member of the Maidstone Camera Club. Although now Sue will take photos using her mobile phone, all the pictures shown were taken with various cameras and developed and printed in her own little dark room. She is always on the lookout for interesting and unusual objects that most of us wouldn't even notice and will either stand up high or bend low to achieve an interesting picture.

Sue Spiel is going to give us a 'selection of her monologues' at our October meeting. She has visited us before and we have always had an enjoyable evening listening to some of her talks. Any ladies in the village are most welcome to come along as a visitor.

Parish Council News

KCC Community Warden Consultation

Kent County Council (KCC) is currently consulting on significant changes to the Community Warden Service in Kent, which the Parish Council believes could substantially affect the support which residents are used to receiving in Harrietsham currently. If the proposals are approved, the service will follow a Geographical Allocation Policy, moving Wardens to the areas with the greatest need. Across the whole of the County, the proposal includes plans to reduce the currently employed 54 Wardens to 32, which will result in the remaining Wardens covering a much larger area than they do now. The services offered currently by each Warden are likely to be reduced quite dramatically.

This consultation closes on the 3 October and we would ask that as many residents as possible complete the questionnaire that has been produced by KCC.

The form can be completed in two ways:

On-line: www.kent.gov.uk/communitywardenreview (or Google: KCC Community Warden review)

Paper form: Please contact the Parish Clerk, any Parish Councillor or our Community Warden, Martin Sherwood, who will be able to give you a paper copy to complete.

If completing the paper form questionnaire, please do not send this back to KCC through the post. Your completed form can be dropped through the Parish Office door, given to any Parish Councillor or returned directly to Martin, who will arrange for them to be hand delivered on your behalf.

Martin is a valuable asset to the village and we need to try to do everything we can to protect this service for residents.

Rural Hedge Cutting

The Parish Council will be arranging the hedge cutting service again this year and it is hoped that this will commence at the beginning of November. If you wish to have your name added to the list, please contact the Clerk. **Please note that you will still need to add your name to the list, even if you have used the service in the past.**

Please note that the email address for the Parish Council changed earlier this year, so please send your emails to:

Kent Community Warden Service Review

Public Consultation

Have your say!

The financial challenges KCC face, mean we are having to consider savings across a whole range of services. Our wardens work with communities and partners in lots of different ways - from supporting scam victims, helping communities affected by flooding, reducing social isolation and loneliness and helping residents to navigate care and support services.

To make savings we are proposing to:

- Redesign the service, ensuring there is a core Community Warden presence across the county, with teams covering two districts.
- Retain the remit and community-based way the service currently works but cover fewer communities.
- Use data and information to identify where to place wardens for most impact.

Find out more and tell us your views at kent.gov.uk/communitywardenreview
Consultation open from 12 July to 3 October 2023.

For queries or to request hard copies of the consultation material, please email CommunityWardenReview@kent.gov.uk or phone 03000 422688. For any alternative formats, email alternativeformats@kent.gov.uk or call 03000 421553 (text relay service number 18001 03000 421553). These numbers go to answering machines, which are monitored during office hours.

Worried about rising prices?

Concerned about rising interest rates?

Anxious about rising rents?

Is your money not going far enough?

No savings!

If the answer to any of these questions is "yes" then the Culpepper Charity may be able to help.

Founded in the seventeenth century, the Culpepper Charity was created to help those people of Harrietsham with financial needs. It has been dormant for a long time which may be why you haven't heard of it.

However, the Charity has limited funds available to provide monetary assistance to those people of Harrietsham who are worried about how they will pay all their bills. The Trustees believe that in the current financial crisis the Charity needs to be back in the limelight to help the people of Harrietsham.

If you are claiming benefits of any kind, or even if you are not, and want further help with your family finances, do write to us explaining how you are in need and requesting a Grant claim form to be sent to you.

We are at either: Culpepper.Charity@outlook.com

Harrietsham Ladies Group Friday Coffee Morning

This weekly event has welcomed new friends since it has been included in the magazine's calendar (thank you 'Network') and we average 20 visitors each Friday who meet new and old friends for a chat over coffee.

We are so grateful to Martin and Tim who help by setting up tables and chairs but we could do with a little extra help with serving and washing up. Is there anyone out there who could spare 2 hours on a Friday morning - not every week - once every 4 or 5 weeks and would be willing to join our rota.?

If so please ring me on 01622 858968.

Community warden consultation

We know this has been mentioned previously by ourselves and others and within this month's magazine... please don't forget to show your support to our vital warden Martin Sherwood by 3 October.

MBC Local Plan Review

The local plan is still ongoing and the inspector is viewing additional information regarding the plans for wetlands at Heathlands and the impact on the water courses, following a submission from Fish Legal and an expert hydrologist report. We await his determinations.

New Ward Boundary

The ward boundary revision comes into force at the May 2024 election. The new ward will cover Harrietsham, Lenham Hollingbourne as well as the areas along the North Downs including Wormshill, Frinsted, Wichling, Bicknor, Otterden, Hucking, and will be represented by 3 Borough Councillor members.

Countryways Quilters and Stitchers

In September there was a bit of a learning curve with the fabric painting we were doing so a bit more time was needed to complete our designs. That means October will find us making up our zippered pouches on the 3rd of the month. We will be back in the Lenham Community Centre so can set up our sewing machines.

On the 17th we will start work on our Christmas project. The technique is raw edge applique without fusing. This is worked in free motion machine stitching.

Very free style quilting. We'll be choosing a project, the designs and the fabrics, then we have two more meetings to get it finished. So depending how brave you feel you'll choose from a Christmas stocking, a round table mat or a Christmas tree skirt.

Come learn more about our stitching group and spend some quiet time stitching. Learn new skills and share old ones. We have our meetings on the first and third Tuesdays of every month except December and would love to see you. In October we meet on the 3rd and 17th. We meet usually in the Appleton room in the Lenham Community Centre from 1:30 to 4:30.

If you would like more information on our group or would like a copy of our 2024 programme when it's ready please contact me, Pamela Gillard at 01233 877453 or email moonbeamspinner@gmail.com

Update from Len Valley Practice

In line with NHSE guidance, Len Valley Practice will be supporting this year's Flu and Covid vaccination campaign. This is due to start Friday 22 September. The vaccinations will be co-administered as set out in the guidance. Patients residing in care homes and those Housebound will be prioritised by our PCN team.

Len Valley Practice intends to run clinics from 22 September both at Harrietsham and Len Valley and will include weekends to get as many patients vaccinated as quickly as possible.

The practice will advertise the clinics and will be sending out direct booking links (only valid for 7 days) to all those we hold mobile phone numbers for, in addition to telephone contact with the help of the PPG.

We would like to remind patients of the issues with parking in recent years and encourage as many attending the clinics to walk where possible.

Below is a summary of our own survey results together with some figures from the NHS 2023 Survey carried out in August 23. For the full results, go to www.gp-patient.co.uk/practices-search

Extract from NHS 2023 Survey (LVP figures based on 128 completed questionnaires)	LVP	National
Find it easy to get through to surgery by phone	12%	50%
Find receptionists helpful	77%	82%
Satisfied with appointments availability	38%	53%
Get to see or speak with preferred GP	35%	35%
Offered a choice of appointment	31%	59%
Describe experience of making appointment as good	27%	54%
Overall experience described as good	53%	71%

This survey was not carried out to criticise the practice which has been under enormous pressures & change because of Covid & funding issues. We know our doctors and support staff are doing a demanding job in challenging conditions. We feel it's important that the views of patients are gathered so that the practice can understand patient concerns and difficulties with accessing healthcare.

Happy Retirement, Mike

Friday 8 September 2023 was Mike Cuerden's last morning at the railway station as Station Master before retiring.

A huge thank you, Mike, from everyone in the village who has seen you at the station providing helpful and friendly service no matter how early it was!

Mike would like to thank all his lovely customers who have bought tickets, come and stopped for a chat or supported the Kent Air Ambulance by buying second hand books, over nearly 20 years.

We hope you enjoy your slightly later starts in the mornings, but we know you will be keeping busy with your other commitments including being a self employed computer consultant, Responsible Finance Officer and Amenity Manager for the Parish Council.

We hope you have a very happy retirement from the station.

J.P.K. Sussex Project

Following on from my article last month, I include here a couple of photos. One of Jill with The Lord Lieutenant and the other of our dear Katie serving canapes. I can report that Katie has successfully transitioned to her new home at the Project. Her Mum and Dad are finding it rather more difficult!

However, never one to sit back and be satisfied, Jill has been fundraising to transform a large area of concrete into a small garden which will be tended and enjoyed by residents and day-care students.

I am told that this is Jill's last venture, but I wouldn't bank on it!!

Perhaps we can help?

Jackie Bevan

Use the Bible as your Sat Nav

"Use the Bible as your Sat Nav". These were the words given to a young TV presenter by her mother, which she used to good effect in the aftermath of controversy surrounding a particular TV show. They were clearly followed by the young lady when she said, "Let him who is without sin cast the first stone". These were the words of Jesus to a crowd which had gathered to punish a woman caught in adultery. Everyone slunk away!

As Christians we are told not to judge other people for their lifestyle or deeds. That function belongs to God Himself. I think that the lady presenter used the advice given very effectively. However, I do have some reservations about Sat NAV. When it appeared as an aid in my car many years ago, I thought I would try out on a route which I knew quite well. For the first part of my journey, it appeared to work fine, until I was instructed to turn off the motorway at the next junction. I thought "Okay, perhaps there is a better route". I duly turned off the junction, down the slip road, and was then told to go up the next slip road and back onto the same motorway!

More recently, as I have used the system, I am frequently told to turn right when I know perfectly well that I should go left, so I ignore her! It is, perhaps - to me anyway - not perfect!

Using the Bible as a guide for life is the best option. The story is told of a little girl who informed her father that she knew what the Bible stood for. He asked her, somewhat sceptically, to explain. She told him that it stood for - Believer's Instructions Before Leaving Earth! That in fact is what it is! Psalm 119v 105 says, *"Your word is a lamp to my feet and a light to my path"*. When I was young, I read in Proverbs ch 3 vv 5-6, *"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways submit to Him, and He will make your paths straight"*.

As a committed Christian for 63 years, I have found this to be the best way to steer through life, with all its ups and downs, and so I recommend it, whole heartedly, to you too.

**LENHAM
FILM CLUB****Allelujah****Friday 13 October****Performance begins 19.30, doors open 19.00****Running time 1hr 39 mins**

We're thrilled to kick off our new Autumn & Winter programme with **Allelujah** (12, 2022), a warm and humorous drama that we're excited to see. How could you miss a film that includes Judi Dench, Derek Jacobi and Jennifer Saunders in its cast and is based on a play by Alan Bennett? An old people's ward in a small hospital in Yorkshire is threatened with closure due to NHS cuts. Its patients however have no intention of taking this lying down however bedridden they are. They leap to their own defence by inviting a local news crew to film their efforts to fight back with preparations for a concert. That sounds straightforward – what could go wrong? Well, you'll be coming along to find out, won't you?

Directed by Richard Eyre.

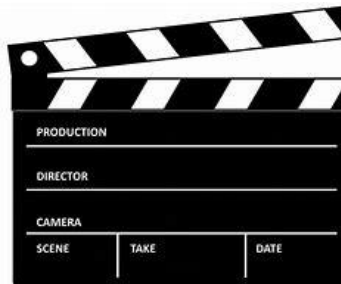

There's more leaping about in our performance on Friday 10 November, but of an entirely different nature. Yes, it's Harrison Ford back with us in the blockbuster **Indiana Jones and the Dial of Destiny**. Set in 1969, he is out once again to save the world, on this occasion from a former Nazi at NASA.

Please get in touch for more information, to join our mailing list or to become a member. Admission: members £4, non-members £5 Annual membership: £6 (over 16's only) .

Christian Message

Do not despair

When a calamity happens in life, we tend to try to just deal with it. It might make us tired, irritable and anxious, but we try to focus, prioritise and move on. Depending on the size of the problem, we may deal with our feelings by discussion with family or friends, or may tell no-one for fear of judgement or reprisal.

When a couple of calamities happen, we have to balance both, a bit more of a challenge and a bit more to deal with in terms of emotions. In short, we are stretched and it is harder to share our thoughts about both things adequately with those we know and love.

When several calamities happen at once we can feel completely overwhelmed, not knowing how to juggle so many balls in the air or where our priorities lie. Trying to explain all this to others can feel like yet another hurdle to jump over. It is the culmination of multiple problems that can lead to depression and despair.

In 1 Kings 19 we can read that Elijah was despairing and in fear of his life. After running away, he stopped, exhausted, ready to give up. In Genesis 39 we can read how Joseph was imprisoned for something he hadn't done and had a bleak future to look forward to. In both cases, however, God sent help, enabling them to find the strength to carry on and achieve more.

There are no quick fixes when life gets tough. We might need to turn to a helpline to talk through our concerns, seek advice from a doctor or engage with a professional councillor or advisor. Like those in the Bible, we also have the option to pray and ask God to guide us through our darkest hours.

My experience is this that God really does answer prayer and, not only addresses our immediate concerns, but sometimes paves the way to something better that we hadn't thought of. Blessings can come out of adversity. We need to be prepared to be patient, prepared for change, and prepared for prayers to be answered in a way other than the one we are expecting or want. God is listening, caring, and has a plan for us all.

Philippians 4, verse 6 says:

Do not be anxious about anything, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God.

In 2 Corinthians, chapter 4, we read:

'We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed. Therefore, we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day.'

Sometimes, when things seem bleak, it is hard to pray for ourselves. If you would like someone to pray for you or with you, please do fill in a prayer card in one of our benefice Churches, or why not come along to a Church service and talk to someone afterwards. We would love to see or hear from you.
