Message From the Editor

Welcome to the June edition of *Harrietsham Network*.

This issue includes updates from several village groups and organisations. The Gardening Society reflects on their latest talk and looks ahead to the summer show (p.8), while the History Society reviews their recent AGM and an insightful talk on Harrietsham during wartime (p.9). You'll also find fire safety advice from Kent Fire and Rescue (p.10) and an update from MP Helen Whately, highlighting local residents recognised in her recent community awards (p.12).

Don't forget to check the diary on page 25 for this month's activities and events, including the Big Lunch on Sunday 22 June (p.24).

As always, if you have something to share for a future issue, we'd be happy to hear from you.

Harrietsham Gardening Society

What lovely sunny weather we have been experiencing lately resulting in some glorious spring flowers. It is a wonderful time of year and many of us will be out in the garden sowing and planting. As I write we have just had some much needed April showers. Hopefully we will not have too many.

It was great to see a full membership turnout for the April meeting. The speaker this month was Chris Spree. His very interesting talk included his experience of living in a National Trust property and then later moving to a new home where he created a smallholding. Over the years he and his family built greenhouses, raised beds and ponds, becoming self-sufficient in vegetables and supplying local businesses. Chris passed on some useful tips such as his hydroponic method of growing tomatoes. A large area of his land is set aside for wildlife including woodland which is full of bluebells at this time of year.

The meeting on 17 June at 7.30pm will be our early summer show. This is a great way to show off the lovely roses, sweet peas and other produce that our members grow.

Chris Bone

Harrietsham Ladies Group

Twelve of our Ladies Group enjoyed an afternoon at Doddington Place Gardens for our May meeting. Luckily it stayed dry and in spite of the drop in temperature, we had a lovely walk around. The azaleas and rhododendrons were beautiful.

We ended the afternoon at the tearooms and by that time the sun had made an appearance we were able to sit outside while we had our tea and homemade cake.

Next month we have a talk about the upcoming Maidstone Literary Festival. This will be back at the scout hut at our usual time of 7.30pm on the first Wednesday of June.

Harrietsham History Society

The Harrietsham History Society held its Annual General Meeting on 6 May 2025, with a strong turnout from members and guests – a heartening sign of the village's continued interest in our shared history.

We are pleased to report that Martyn Avis was re-elected as Chairman, and Ryan Slaughter continues in his role as Treasurer. However, the position of Secretary remains unfilled for the time being. In the interim, both Martyn and Ryan have kindly agreed to share the responsibilities.

Following the formalities of the AGM, attendees were treated to an excellent talk by Ryan Slaughter, titled Harrietsham: A Village at War – Part 1. This engaging and well-researched presentation provided a fascinating glimpse into the lives of villagers who played pivotal roles on the home front during wartime. Ryan's dedication to uncovering local stories and forgotten contributions was clear – and given the depth of his research, we may well be treated to at least ten parts in this fascinating series! Parts 2 and 3 will be announced soon, so keep an eye out.

With a short break now between events, our next scheduled talk will take place on Monday, 29 September at 7:00 PM in the Village Hall. The talk is titled "War Time Letter from India". We hope to see many of you there.

Lastly, if you're interested in becoming a member of the society – or are already a member and would like to join the committee – we'd love to hear from you. Please get in touch via chairmanhhs@gmail.com.

Harrietsham In Bloom

Our Quiz Night in April was well supported and great fun. Our profit after costs was £677.80. We are very grateful to everyone that attended. Our thanks go to Mike and Pam Flawn, Quizmaster and assistant – well done both.

Thank you to everyone who helped with deadheading the spring displays. Soon we shall be changing the displays and planting summer plants. We could always do with extra help and would love to have more volunteers join us, you don't have to be a gardener we will help and advise you.

Would you like to become a sponsor of one of our planters? If so, please get in touch. Your involvement and support in the local community would be very much appreciated.

Please contact Andrew Rogers (Chair) 01622 859352 for further details.

Kent Fire and Rescue Service

Check your smoke alarms are in date!

Kent Fire and Rescue Service (KFRS) is urging people to check the expiry date on their smoke alarms, as they only have a lifespan of up to ten years.

Between 2022-2024, approximately 6,600 expired smoke alarms were discovered at properties in Kent and Medway during Home Fire Safety Visits carried out by KFRS with some residents unaware that they expire or how to check them.

The service has now launched its own campaign to raise awareness that smoke alarms expire, how to check their date and how to replace them.

Having an in-date smoke alarm is important in helping keep homes safe, as once they expire the sensors in the alarms become less reliable. This means that they might fail to sound in an emergency or could go off for no reason and could impact how effectively they work if there was a fire.

Rachael Spencer, Safe and Well Manager at KFRS, said: "Whilst many residents in Kent and Medway are great at checking their smoke alarms work, which we recommend testing once a week, we found an increase in the amount of expired smoke alarms on our checks as people don't realise, they have an expiry date.

"Making sure your smoke alarm is in-date is so simple to do and provides an extra level of safety in your home that could make a real difference in case there is ever a fire."

How to check your smoke alarms

The expiry dates for smoke alarms, whether battery-powered or wired-in, should be on the back or side.

To check it, you might need to remove the alarm from the ceiling. Depending on the type of alarm you have, here's the most common ways how:

- twist it counterclockwise to remove from the base; or
 - use a screwdriver to unscrew it from the base; or
(for some wired alarms) push a screwdriver into the slot to release it.
- If there's no expiry date, it means you'll need to replace the alarm and even if the smoke alarm still sounds, if it has expired then it needs replacing as soon as possible.

If your smoke alarm is out of date, you can buy a new one on any reputable website or in a hardware shop.

If you can't change the smoke alarm safely, we recommend asking a friend or family member for help. But if that's not possible, give us a call us on **0800 923 7000** for advice and to book a free [Home Fire Safety Visit](https://www.kent.fire-uk.org/home-fire-safety-visit).

Update from your local MP Helen Whately

Earlier this year I launched my 'Unsung Hero Awards' as I never fail to be amazed by the number of people who either volunteer their time for others, or regularly go above and beyond in their day job, to make our area a great place to live and work.

I know people do what they do out of the goodness of their hearts, but I still think it's a good thing to tell them they are appreciated. The fact I received 80 excellent nominations from across the constituency tells me I'm not alone in thinking this! I can't stress enough how difficult it was to choose the winners - who are all listed on my website at www.helenwhately.org.uk

I was delighted to have received so many nominations from rural Maidstone with 4 overall winners and 1 highly commended.

John Clayton refused to accept that Detling had lost its village store and Post Office so he gathered support from other local residents to resurrect a community store in the village. With the aid of the community and willing volunteers, and after four years of hard work and determination, the new store opened its doors in early 2020.

Rebecca Ward sadly lost her son, Joey, 5 years ago to Diffuse intrinsic pontine glioma (DIPG), a fast growing childhood brain cancer. Rebecca has raised large sums of money for research into this terrible disease. She organises an annual tractor run through Stalisfield which the local farmers look forward to. The event brings the community together. I was told: "If anyone deserves it, it's this brave woman."

Martin Sherwood is the Parish Warden for Harrietsham. From what I have been told he will need no introduction as he is: "that rare public servant who is not only well known within the local community but trusted by all who meet him and these are often the most vulnerable amongst us."

Nick Osborne is in his mid 80s and every single day he will be found helping others in Lenham. He helps the Honywood & Douglas Almshouse residents and the community centre with big and small jobs. I am told he is: "one in a million and you will never find anyone else like him."

I am also delighted to let you know that the **Station at Hollingbourne Community Interest Company**, also known as the Signal Box was highly commended.

Finally, I would like to congratulate everyone who was nominated for one of my 'Unsung Hero' awards and everyone who took the time to nominate someone. The awards were created to shine a light on all those who go above and beyond for others, without seeking recognition, and all nominees embody this spirit. The impact they make does not go un-noticed, and I am deeply grateful for all that they do.

It was incredibly difficult to choose the winners and highly commended. So, I chose people who I think get little or no recognition, even though I know none of the nominees do what they do for this reason.

I really appreciate everything that everyone does for the community. I feel so lucky to have so many people doing so much in my constituency.

As ever, if I can help you in any way, please reach out.

Helen

Wicked

Friday 13 June

Performance begins 19.30, doors open 19.00

Running time 2hr 40 mins plus interval, director: Jon M Chu

'We're off to see the Wizard', and what better way to spend a summer's evening than in the Land of Oz with the gorgeous Oscar winning musical fantasy **Wicked** (PG 2024) in which good battles with evil. Elphaba and Galinda become friends at university although they are very different. In what way? For a start Elphaba has green skin and Galinda's priority is her standing in the popularity stakes. All is well however until they meet the Wonderful Wizard of Oz. Then their lives are transformed in very different directions, as Glinda the Good clashes with the Wicked Witch of the West. Come along and prepare to be transported to Oz.

We're dedicating our showing of **Wicked** to our much-loved late Treasurer, Ian George. All proceeds will go to Lenham Nursery School in his name. Do join us - in addition to seeing a great film, you'll be helping us to support Lenham Nursery School in honour of Ian.

Music also plays a major part in our July performance, **Maria** (12A 2025), the moving story of the private life of Maria Callas, the world-famous opera singer.

Please get in touch for more information or to join our mailing list.

Admission: Adults £5, under 16s £2; cash only, card payments not accepted.

Accessible Well-Being: Love Your Neighbour

In the very first article, I quoted the Bible verse, “Love your neighbour as you love yourself.” At that time, I highlighted the importance of self-love. Now, we will explore how self-love enables us to love others.

1. The Foundation of Self-Love

Loving myself doesn't mean striving to indulge or please myself. Rather, it involves seeking what is truly good for me. As I mentioned previously, self-love encompasses anything that brings authentic joy—free from shame or guilt—and promotes health and peace of mind. This understanding helps us recognize how to love others effectively.

To love someone means assisting them in experiencing untarnished joy and providing what supports their health and peace of mind, even during challenging times. In other words, we should focus on giving people what they need, rather than what they want or what we think they want.

However, a critical distinction must be made here: to love others effectively, we must truly understand their needs rather than imposing our perceptions onto them. Achieving this level of understanding is impossible if we don't first understand ourselves.

2. The Importance of Self-Knowledge

Self-knowledge is often underestimated, yet it's an essential precursor to love. Just as plants or animals require specific care, failing to understand their needs can lead to harm despite our good intentions. Similarly, we must understand ourselves to cultivate true self-love.

When we know ourselves deeply, we develop the ability to discern needs beneath surface-level desires. This insight extends to others, enabling us to perceive their true needs and offer support that genuinely benefits them.

3. Kindness as a Path to Connection

Loving myself involves treating myself with kindness. Mastering this practice helps me extend the same kindness to others. It enhances tolerance, deepens appreciation for differences, and allows me to transcend ego-driven thoughts.

With time, self-kindness fosters a profound sense of oneness. Other people's unhappiness becomes intertwined with my own, reminding me that we are all connected. This realization transforms relationships and strengthens our empathy.

Reflection

I encourage you to reflect on these three points:

- Do you truly love yourself?
- Do you genuinely understand yourself?
- Are you kind to yourself?

Consider how these aspects influence your relationships with others. Next time, we'll delve deeper into the concept of love.

Lenham WI

After a few busy months when we attended the West Kent Federation Annual Meeting in Gravesend and our own AGM in May we can now continue with our monthly meetings. This month we have Neil Butcher coming along to talk to us about Scams. This is such an important subject as there seems to be an increasing number of scams and they are taking different formats all the time. I always say if someone phones me and I don't recognise the number then I don't answer the phone. If it is important they will always ring back. I make more use of my answerphone now as well so that I have some idea of the identity of the caller and the number they are calling from. I can then check their identity against an official website and use the website phone number to check the caller. I always err on the side of caution and not follow up any calls that I am dubious about. No doubt we will learn more about how to be aware of scams and how to deal with them.

We are looking forward to taking part in Watersports at Mote Park this month. This event proved very popular when it was organised before so fingers crossed for good weather.

There is also an Introduction to Pastels Workshop when professional artist, Kim Langford, will demonstrate techniques for using soft pastels to get different effects. We will be able to complete a Still Life picture to take home with us. It is great to learn something new.

The National Federation of Women's Institutes is holding its Annual Meeting this month. This will be a virtual meeting so lots of members can watch and they will be voting on the most popular resolution, Bystanders Can Be Lifesavers, to take forward as the campaign for this year. There are over 30,000 out of hospital cardiac arrests a year in the UK and less than one in ten people survive. Early cardiopulmonary resuscitation (CPR) and defibrillating can more than double the chances of survival. The WI wants to increase public confidence and training in the delivery of CPR and work with local organisations to help improve access to defibrillators to give everyone the best chance of surviving a cardiac arrest.

Next month we will be welcoming Elitta Fell who is speaking to us about Painting on Silk. Looking forward to that one.

If you want to join us we meet at Lenham Community Centre on the second Thursday of the month at 7.30pm. Please come along and see what we get up to. If you want to find out more please contact me on urgodden@btinternet.com

Harrietsham Church book of Remembrance, extended deadline.

My daughter, Ruth McCabe, has offered to make some new entries in the Harrietsham Church book of Remembrance, to bring it more up to date.

If you have a loved one who passed away between 1997 and now, and had their funeral at St John the Baptist Church in Harrietsham, was buried or had cremated ashes scattered here (or cremated elsewhere but had a strong connection to Harrietsham Church) and would like an entry in the book, please let me know by **30 June 2025**.

Please let me have your details in writing or by email at Pamela@lvb.org.uk so that we can check spellings etc:

Your name

Your contact details including phone number

Your relationship to your loved one

Full name of deceased

Year of birth

Year died

There will be no charge for this but if you would like to make a donation to the church please contact our treasurer, Mike Cuerden at cuerdenmike@gmail.com

Calligraphy is a slow process but we will let you know when it is done. Ruth estimates a year, depending on the number of entries.

Christian Message

How do you spell love asks Piglet?

Winnie the Pooh answers wisely, You don't spell it. You feel it!

Well, that is true and if you want to read more about love the best and most well-known chapter in our bibles about love is 1 Corinthians 13.

The passage comes from the letter written by St Paul to the Corinthians. I believe it talks about love in three dimensions.

First of all, love deals with the past. It means that when we have dealt with whatever has happened in the past we can move on.

The second dimension is the present, it's about celebrating love here and now!

St Paul says, 'love is patient, love is kind.' As a mother and grandmother, I can certainly relate to that! I do know what it's like to have a toddler, or even a teenager in the house!

Patience is often what is needed!! Actually, in some bible translations patience is translated as 'long-suffering'! Well, that does put a smile on my face.....

And then we come to the next dimension. This is looking to the future. So, love deals with the past, equips us in the present, and it prepares us for the future. When I have baptised infants and welcomed them into the fellowship of faith in prayer, I have also prayed for the parents and godparents. It always brings a smile to my face as the words in the baptism service say that the parents and godparents have a demanding task, that is so very true, but we know that we have the help and grace of God with us. And that is true for both the beginning and the ending of our lives here on earth. On the 29th June we will be remembering our loved ones who have moved on to that future dimension. It will be at an 11am service in Harrietsham church but is for all our benefice churches. We call this our Rose service where everyone is invited to bring a rose, or to collect one from the church as you join the service. The roses will be placed on the altar during the service together with a candle. This is to remember our loved ones who may have died a long time ago, or recently.

As we all continue our faith journeys my prayer is that you will feel and know and give love in all its dimensions. We look forward to welcoming you at any of our services where we worship God, the source and the model for us all, of love.

'I have loved you with an everlasting love' Jeremiah 31:3
